

Y. M. C. A. PLANS RECEIVED WITH HEARTY APPROVAL

ANNOUNCEMENT LAST WEEK BRINGS FORTH EXPRESSIONS OF COMMENDATION—INDICATES OUR TOWN WILL HEARTILY SUPPORT THE PROJECT.

Announcement made last week by the local Y. M. C. A. of their proposed plans for expanding their present plant were heartily supported in expressions made to officers of the Association.

The plans are to make the Association something that will make everyone want to join and boost along a worthwhile civic movement, and to secure the benefits to be offered.

A natatorium will be popular with both young and old and many a day and evening will no doubt find lively groups splashing to their heart's content. Then, too, the enlarged and well regulated game rooms are something that will appeal to both men and boys, who will be provided for separately in line with modern and approved methods.

The auditorium feature is one that appeals to the entire community, because it will afford a place for all important gatherings of Our Town, where meetings, entertainments, etc., can be held in a safe, cheerful and comfortable place. Besides, it will provide facilities for motion pictures of high order which it is expected will be shown two or three evenings each week.

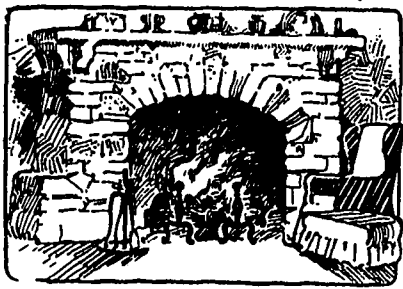

Several committees of the Association have been working on this project for many months, and are now busily

engaged drawing in the various strings that go to make up the rope which will tie the entire plan together, after which the final details and data will be ready for announcement.

The many boys of our community are waiting with eager anticipation the consummation of this big work. They deserve all the Town can give them, these boys of ours, and Narberth will not be found lacking when it comes to providing intelligent, healthful and up-building facilities to entertain, instruct and guide the youth of the community, which is not only essential for their good, but for our own good as a Town, a State, and a Country.

Already a good number of public-spirited citizens have gotten behind the project with generous offers of assistance. It is hoped and expected that all will want to help in their own way, and opportunity will be afforded shortly.

In the meantime, think these things over. Talk about them with your neighbor, and be surprised at the uniformity of opinion in favor of a community center that will not only be a credit to the already strong civic spirit of Our Town, but will mark Narberth along the Main Line, and in the State, as the leader among those foresighted communities which provide for the proper development of its own.

SHAW AND WARWICK WIN THE TENNIS DOUBLES CHAMPIONSHIP

DEFEAT KIRKPATRICK AND STAPLES IN FOUR SET MATCH—HOPE TO PLAY THE FINAL MATCH IN SINGLES THIS SATURDAY

Messrs. Shaw and Warwick again proved their skill and prowess as champion doubles players last Saturday, when they won the final match in the doubles tournament of the Narberth Tennis Association. It was a good match throughout, and many of the games were hotly contested.

In the singles tournament it is hoped that the final match will be played this Saturday afternoon, September 27. The contestants will be W. J. Kirkpatrick and the winner of the Warwick-Van Anken semi-final, which it is expected will have been played between "going to press" time and Saturday afternoon.

The doubles consolation finals were won by Donnelly and Muschamp in a five set match against Williams and Whitney, in which the honors were shared equally by both teams. Mr. DuBree, the only one of the three referees who "survived" the contest, entertained the players and the onlookers with bits of brilliant repartee, thus maintaining his position as one of the three chief jesters of the courts.

The summary of the matches played during the past week follows:

Men's Singles.

Semi-final round—Kirkpatrick defeated Newell, 6-1, 6-4, 6-4.

Men's Doubles.

Final round—Shaw and Warwick defeated Kirkpatrick and Staples, 6-2, 6-2, 2-6, 6-2.

Mixed Doubles.

Miss Humphreys and Mr. R. Town defeated Mr. and Mrs. Gragan, 6-2, 6-3.

Consolation Singles.

Second round—DuBree defeated Thomas, 6-4, 6-4.

Consolation Doubles.

Second round—Williams and Whitney won from Tompkins and Kruse by default.

Final round—Donnelly and Muschamp defeated Williams and Whitney, 6-3, 4-6, 6-3, 0-6, 7-5.

Main Line Bowling League

The Main Line Bowling League will start the first game on Wednesday, October 8th.

At a recent meeting the following officers were elected for the ensuing year: President, Robert G. Saville; First Vice-President, George E. Matthias; Second Vice-President, W. Lawrence Allen; Treasurer, David M. Ramsey; Secretary, Charles McCrea.

Reports from the various managers indicate the teams will be strengthened owing to many of the boys having returned from overseas.

There are many good bowlers in Narberth who have not made any attempt in past years to come out and become acquainted and try for the Narberth team. Let all who can bowl come out and visit the local Y. M. C. A. bowling alleys and express their desire to bowl with Narberth.

Each and every person will have a fair, equal chance to bowl on the Narberth team this year.

Come on, you bowlers and represent Narberth and assist in bringing home the bacon, namely, the trophy cup.

CITAS, T. WEAVER, Manager,
Narberth Bowling Club.

SOLDIERS' LETTERS

Letters of soldiers written to home folks from camp and the field will prove of great interest and much historical value in future years. The Pennsylvania War History Commission, the official body for the gathering of such material, is anxious to enlarge its collection of such letters. It will welcome newspaper clippings or original letters from men who were in the service. In case the return of originals is desired, the Commission will copy the letters and return the original to the owner.

The Commission may at some time in the future publish a collection of soldiers' letters. If this is undertaken, it is desired that all counties and districts of the State shall be represented in the collection upon which the publication was based.

Many soldiers' letters have appeared in newspapers. Persons possessing a file of local newspapers will perform a service for the Pennsylvania War History Commission if they will send copies of any printed letters to the Commission.

The Commission is headed by Governor Sproul, and correspondence relating to its work should be addressed to ALBERT E. MCKINLEY, Secretary, 1300 Locust street, Philadelphia, Pa.

PRaise FOR NARBERTH GROWN DAHLIAS.

It is too late now for the 1919 season, but next September we will certainly have to have a Narberth Dahlia Show.

Dahlias grown in our town were particularly fine this season, and there is every indication that next year there will be even more interest shown in this fine September flower.

Among the local dahlia enthusiasts we might mention, first, of course, the self-acclaimed "Dahlia King," Sir Henri Rose, who let it be known is being hard pressed by the following pretenders to the throne: John B. Williams, Bob Edgar, Doc Fiedler, Herbert Yowell, and, we have no doubt, many others.

Let's keep this in mind and plan for a Dahlia Show next September.

The new series of the Narberth Building Association opened at the September meeting; but new shares can be taken out at the October meeting, first Thursday in October, at the Fire House, from 7 to 9 P. M., by the payment of the September and October dues.

School Notes

School Motto.

"Without halting, without rest,
Lifting better up to best."

WE'RE OFF.

The WELCOME sign that greeted pupils, teachers and parents in every room of the Narberth School spirit—Well Come.

We have Well Come. The School stands for moral, physical and mental development. Every pupil soon realizes that.

The individual and his relation to the group is the subject of first consideration.

A Reception Committee of upper classmen and teachers greeted pupils new and old. Mothers did not need to wander about hunting rooms. New students were not "lost in the crowd."

Yes, there is a Narberth High School. This is in answer to frequent inquiry by new comers. Narberth can be proud of a Pennsylvania first-class High School. This means a full four years' course with an adequate faculty, adequate facilities and equipment, preparing pupils not only for better citizenship, but for entrance to college.

The minimum graduation requirements will admit a Narberth High School pupil to most of our smaller colleges; the regular requirements will admit to any second or third rank college, and the maximum course admits Narberth High School pupils to any first rank college or university on certificate privilege—excepting such colleges as grant no certificate privilege.

Our graduates during the past few years have been found in Smith, Mt. Holyoke, Bryn Mawr, Dartmouth, Penn State, University of Pennsylvania, Swarthmore, Wilson, Haverford, Jefferson, Colgate, Simmons and others.

The faculty of the High School num-

bers eight, exclusive of the teachers of Physical Training, Music and Art and Domestic Science. Every member of the High School faculty has had experience prior to coming to Narberth, and the colleges represented are Cornell, Teachers' College Columbia University, Wilson, Radcliffe, Allegheny, Vassar, Swarthmore, Drexel Institute, Syracuse University, St. Lawrence University, University of Pennsylvania and Oberlin.

The Narberth Schools are organized on the six-six plan; the lower six grades comprising the Elementary School, the upper six the Junior and Senior High.

Every member of the faculty of the Elementary School is experienced and holds a permanent State certificate or Normal diploma.

Athletic Notes.

A meeting of the students was held on Friday to launch the 1919-20 Athletic Association. Committees are being appointed to accept membership dues, and to "round up" the careless and indifferent. We hesitate to say, but must admit, Narberth, like all other schools, suffers because of a few indifferent pupils. Fortunately, they are "few and far between."

A Reception and Social Committee is being carefully chosen. Ushers and doorkeepers are to be elected.

The football squad elected Gus Erdman as manager. The schedule of games is being completed.

The basketball squads have elected Lawrence Houston and Emma Muller as managers.

Regular practice in football begins next week.

Girls' basketball work begins October 15th.

Literary Society.

There will be two Literary Societies, one composed of 7th and 8th grade pupils, the other of grades 9 to 12. These will meet on alternate Fridays. One Friday the Junior Society will meet and the upper four classes will have a mass physical training drill. On the next Friday the Senior Society will meet, and the other grades will meet for drill.

The mass drill, or exhibition physical training work, coming thus twice monthly, should interest and stimulate every student. Most rigid discipline will, however, be enforced in the mass drill.

Editorial

A suggestion is a good thing, even at times when the suggestor is not acquainted with the circumstances, for his suggestion does, at least, show that he is giving the matter some constructive thought.

Criticism has its place, particularly when he who criticizes is willing to put his shoulder to the wheel and help. But to criticize, and wonder why "they" do not do this thing or that thing, and why a certain thing is not done a certain way, and then stand back unsympathetically, is lacking everything that makes for the least bit of progress.

With the Editor, suggestions and criticisms regarding Our Town are in order at all times. They are welcomed; but a little assistance with the criticism is more than welcomed, and to say the least, encouraging.

This little paper has a particular duty for you. It is not a "stay-away-and-criticize" spirit that the Editor needs.

Have you ever gone back in your thoughts to about seven years ago and pictured how the business section of Narberth looked at that time?

Of course, those who have come to our borough since that time cannot appreciate the great change—a change very marked, indeed.

Where new stores have not been erected, great improvements have been made in nearly every one of the older business places, and to-day our business section is very modern and up to the minute in every respect. We should be proud of our rapidly increasing little town, and there is no better way to

boost a town than to talk about it, dream about it, and work for it.

To the Editor of Our Town:

In the issue of Our Town September 20 there appeared an announcement of several proposed improvements in the local Y. M. C. A.

Since the Memorial Committee seems to be sort of "up a tree" for a fitting and proper memorial that would be a real token of appreciation by the people of Narberth for the service the young men rendered in the war, might it not be possible to consider combining both the projects and giving Narberth an auditorium, which is a real necessity; a swimming pool, which will surely be appreciated and patronized; large game rooms for men and boys, particularly for boys who might be kept off the street corners, and moving pictures several nights a week, which can be well supported by a community the size of Narberth.

The present inactive Y. M. C. A. building, with the plot of ground adjoining it on Haverford avenue, is certainly an ideal location for such features and it appears that the project could be approved and financed by the people of Narberth, provided it were managed in a manner to suit the large majority of the people.

Would it not be possible to build a combination of swimming pool, fire house and game rooms on the present plot adjoining the Y. M. C. A. on Haverford avenue, and make a real auditorium out of the present Y. M. C. A.? With this plan, the revenue from the old fire house building and hall would be put into the new proposition, which might help materially in financing it and at the same time give the Fire Company an up-to-date house for their equipment. There would be no trouble in disposing of the present fire house at a good figure.

If the people are willing to raise the money for the proposed Y. M. C. A. improvements, and allow the Y. M. C. A. to spend it for them and manage the entire proposition, very good, but might it not be better to turn the whole corner into a community centre which could be participated in by every resident—man, woman, boy or girl—regardless of sect or creed.

There is a question in the writer's mind as to whether there is room in our town for an institution of this magnitude that is primarily limited to Protestant young men. Of course, the scope can be enlarged to take in others; but would the restrictions of the Y. M. C. A. be in this case extended to make it a real modern democratic proposition?

The writer's idea is not to knock the Y. M. C. A. improvement, but rather to show the necessity of features that they mention and try to promote the whole proposition according to the spirit of the times, and at the same time to consider a soldiers' memorial which will be a substantial improvement to the town, a credit to the boys themselves and the people who supported them in the war for right.

BRIGHT IDEA.

A story suited to Mary Pickford's versatile and amusing expressions of herself, "The Hoodlum," to be shown at the Palace Theatre, Ardmore, for two days, Wednesday and Thursday, is a vehicle with many bright spots, notably a "shimmy" executed by Mary and a small boy in a back alley. The idea of the plot is that of a young girl who leaves a life of luxury to live in the slums, but this is forgotten when Mary becomes the wildest, dirtiest, and most outlandish of them all in the tenement street where she has chosen to live temporarily.

Monday evening, September 15, Mr. and Mrs. James G. Foote, of Montgomery avenue, entertained a number of friends in honor of Mrs. Foote's brother, Mr. Horace Stewart, who is on his way to his home in Hollywood, California, after having spent a year and a half in Italy with the Y. M. C. A. Mr. Stewart's collection of war relics was found exceedingly interesting to the company. Among those present were: Mr. and Mrs. Robert Calhoun, of Germantown; Mr. and Mrs. A. D. Pugh, of Drexel Hill; Mr. and Mrs. Robert E. Patterson, Jr., Miss Margaret Mueller, Miss Ruth Hochling, Mr. Earle Dickey, Mr. Robert J. Edgar, of Narberth.

Mr. W. C. Poor, teacher of the Young People's Bible Class of the Presbyterian Church, entertained the class at his home last Friday evening. The guests included the Misses Madeline McCoy, Margaret K. Eyre, Jessie D. Ballingall, Florentine Mueller, Eleanor B. Eyre, Lillian Redifer, Betty McCaig, Agnes W. Rose, Annie D. Schaeffer, Marion F.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsman, and who is progressive enough to add name to list of Registrar.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
